An Invitation From the Owners

We are especially pleased to invite you to attend our Public Sale, November 15, 1946.

We have joined our groups of selected cattle which make essentially a production sale. It includes a choice string of herd bull prospects and females of quality sufficient for foundation animals in the best herds.

These cattle are well grown but fresh and smooth and not overdone, so that we feel justified in standing behind the guarantee on each of them.

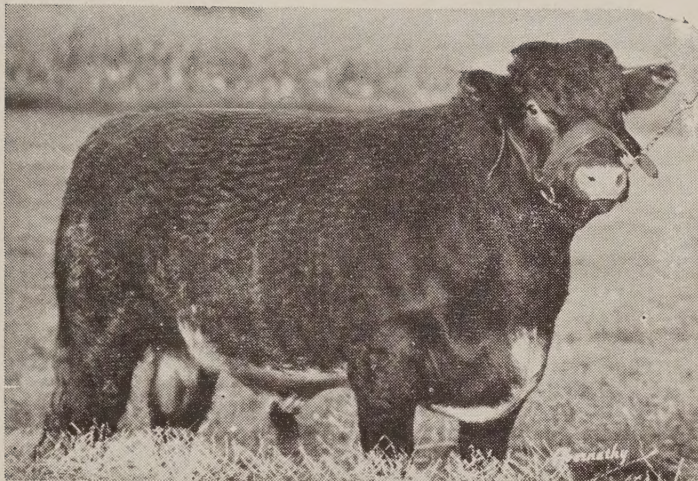

A special feature of the Auction is the service of our new imported herd bulls. An inspection of these bulls will create a desire to own their get.

Come and spend a profitable day with us at the Metz Farm, Williamsville, Ill.

P. S. You will be just as welcome at the Sale of Otis A. Carter & Son, Eldorado, Ill., on the following day, November 16th.

GLASTULLICH CELTIC

For Reference Only

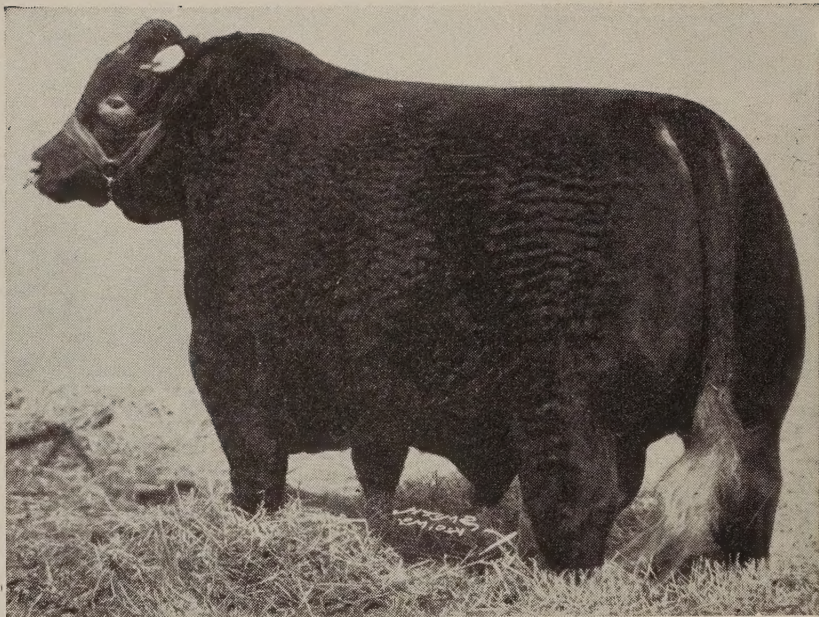

Bull

GLASTULLICH CELTIC

Bought as a calf from Wm. MacGillivray last fall in Scotland for service in our herd. Sired by London President Roosevelt (Red). Used successfully for several years at Calrossie and Glastullich. Out of a red roan Rosewood cow by Calrossie Reliance, who was sired by Calrossie Randolph and out of the dam of Col. Mercury. His pedigree is packed with such sires as Collynie State Express, Aldie Conqueror, Noemoor Jasper, Aldie Aristocrat and those mentioned above.

His symmetry of form, style, alert carriage, wide back, smooth shoulders and bulging quarters lead us to believe he will sire great calves. Altho in heavy service since arrival May 2, 1946, he has had the constitution to improve rapidly toward recovery of his show form.

Two Leveldale Herd Sires

SHEIK OF LEVELDALE

Whether there ever has been a more pleasing show bull and sire produced in America is debatable. Sheik had what it took to defeat all bulls on the circuit in 1939. Sired by the great Goldspur's Baronet 2d and out of the famous Taana Rosewood 4th, he is tops in bloodlines as well as individuality. His get have proven his worth.

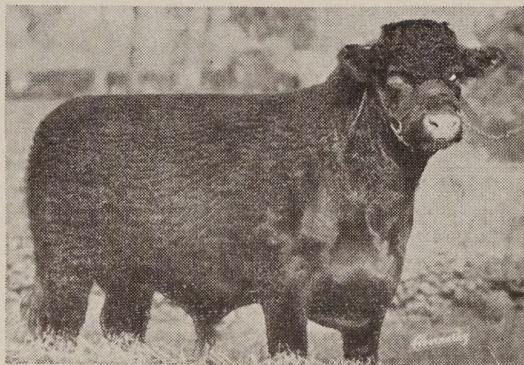

LEVELDALE FORAY

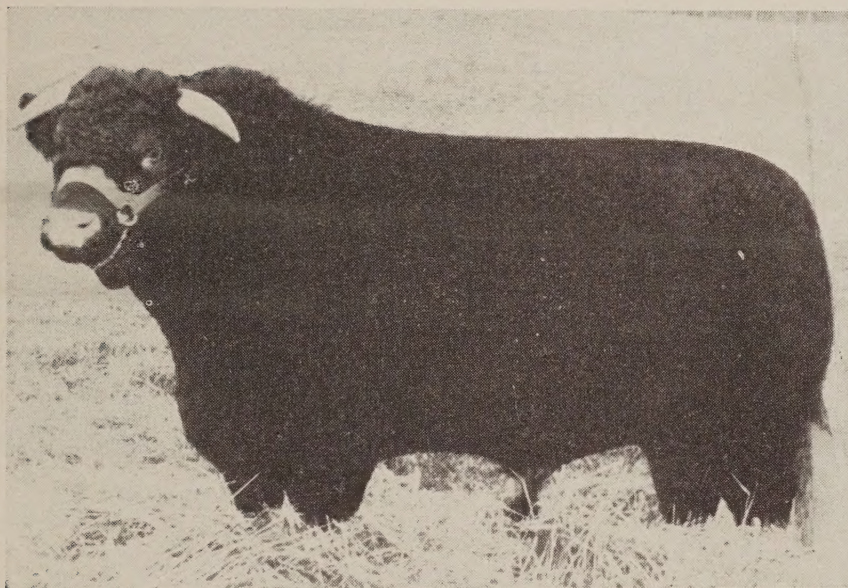

One of the most consistent sires used at Leveldale is this excellent son of Leveldale Commodore by Goldspur's Baronet 2d. He finished an enviable Sr. Yearling record by winning the 1941 International senior championship. The calves from his matings are proof of his ability as a prepotent sire.

A deep solid red bull, having arrived at the farm from quarantine August 16th. Even in thin flesh he shows the earmarks of a sire. Straight, smooth, deepsides, short legs, very rugged bone, a good curly head, deep in quarters, alert and stylish. We are using him lightly.

On top of his other qualifications he is supported by a great pedigree, his four top sires are famous. His sire at nine years is still fresh and thrifty and is still used heavily at Uppermill.

UPPERMILL ADJUTANT

Sire of Uppermill Adjutant, Uppermill Regent, also Royal Rothes, 1943 Perth Champion. Still a great individual at nine years of age.

Calrossie Sweepstakes. Bred by Capt. MacGillivray, Calrossie. Owned by James Durno, Uppermill. Sire, Calrossie Randolph. Dam by Collynie Royal Leader.

The following notes are furnished by Mr. James Durno, Owner of Uppermill.

Coldoch Sensation—Was sire of Norseman, which gained championship at Perth in 1943.

Augusta Adele—Is grand dam of Uppermill Ambassador, sold at 1000 guineas in 1945 to Mr. S. Campbell, Kinellar.

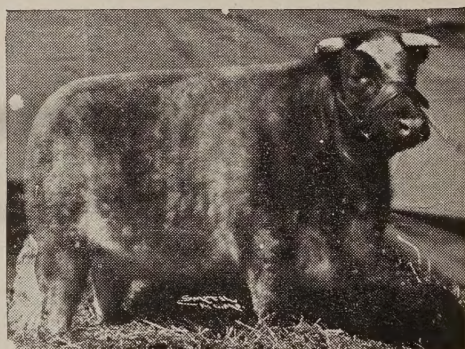

LEVEDALE AMBITION

A great calf from a great dam. Many visitors consider Leveldale Rosewood 10th the best cow on our farm—twice an International winner. She is just as good as ever and carrying her fourth calf.

In order to keep a Senior Yearling bull for next year's shows, I will sell a half interest in this bull.

International winner 1940 and 1941. Carrying her fourth calf could still go out and win. Many good judges, on seeing her in the pasture, have pronounced her best cow they have seen. From such cows come great sires.

LEVELDALE EGOTIST

Extremely smooth, good head and an excellent pedigree. A bad case of pneumonia last spring left him very thin but he has fully recovered and is doing well and should develop into a good bull as he was a very promising calf. His dam is a full sister to Sheik's Jubilee, 1941 American Royal Grand Champion and is one of our best cows.

Is there anything to "Record Performance?" If so this calf should "click." He is too young to sell but is consigned as an attraction. His sire is a great bull, his dam a great cow (twice International Grand Champion). Both grand sires were great bulls. His two full sisters were first prize calves and top selling heifers bringing \$3700 and \$5000. This youngster shows promise of developing right.

ORCHARD ROSEBUD 30th

A grand prospect for a brood cow—dark even roan, very smooth throughout, perfect rump and tail setting. Best of all the proof of her ability at her side, a roan heifer calf, very straight and smooth, good type. Sired by Dacre First Command, probably the shortest legged herd bull I saw in Scotland. This cow is still thin but is a good doer and will continue to improve and be profitable. Note the great bulls in pedigree.

This good son of Pittodrie Regalia was selected for Black & Miller and Metz by Mr. L. E. Mather at the Perth Show and Sale last February. He won his Class in a good strong show. He arrived at our farms on August 9th. Several of the heifers that are old enough will sell in calf to him. Since that date his picture does not do him justice as it was taken upon his arrival after a four month trip. Study his breeding. You will see that he is closely related to the All-American favorite Edellyn Royal Leader.

It was a fortunate day for us when we purchased Leveldale Manifest because he has proved an excellent sire in the Metz herd. He won Junior Championship as a calf at the Ogden Show and rst prize as a yearling at the International and American Royal Shows in 1940. Each of his calves has inherited his marvelous balance, thickness of flesh and blockiness of body. This sale will feature his get.
